Entries for Checking

Please check this pdf file for each of your athletes.

The races entered are shown for each athlete.

Please pay particular attention to each athlete's affiliation.

Also, please check each athlete's USSA and FIS points.

There is column in this report showing the athlete's FIS Status. An "a" in this column indicates that the athlete is active with FIS and is on the current FIS points list. If you think that one of your athletes is active with FIS, but it is not shown here, please go to the FIS web site www.fis-ski.com/uk/disciplines/cross-country/competitorbiographies.html and check the athlete's status. If the athlete is indeed active, but not shown as active in this list, please send me an email as soon as possible.

If you find any issues, please send me an email as soon as possible.
